

UPDATE TO NESAS ACCREDITATION

NESA recently completed a review of procedures and the Minister has announced that the Accreditation of Professional Development Courses Policy (the Policy) will immediately replace the existing Endorsement of Professional Development Providers and Courses Policy (February 2019).

This means that as of February 2021, events at the RIDBC Renwick Centre will no longer be automatically accredited and we will need to seek accreditation for each individual event.

To receive accreditation for any events you have completed in 2020 and haven't yet done so, please complete the online evaluation quiz and forward your NESA details **no later than COB December 18th** to receive the allocated NESA hours. We are unable to process applications after this date.

We encourage you to check each RIDBC Renwick Centre event listing in 2021 to see if accreditation is offered by NESA.

Thank you for your support of the RIDBC Renwick Centre Continuing Professional Education Program through all the challenges of 2020! We have appreciated your flexibility and patience through changes to dates and presentation formats throughout the year. We look forward to working with you again in 2021 and wish you a safe, festive and restful holiday break.

Warmest wishes,

Trudy and Carla
